

We are Honored...

Happy New Year! Despite great odds, we have had a tremendous year together, pursuing disarmament through the entry into force of Treaty on the Prohibition of Nuclear Weapons, preventing Livermore Lab from detonating huge open-air bomb blasts locally, and so much more. *Thank you for being part of these successes!*

Yes, we have lots to do in the coming year, but I invite you to take a moment now to savor a success of a different kind. This year, one of our longest-standing funders, Ploughshares Fund, recognized Tri-Valley CAREs' in their 2021 report. *In this, too, you played a part. Tri-Valley CAREs is always a team effort.*

Here is Ploughshares Fund's tweet of December 24, and below the "screenshot," you will find a link to the complete text. Please comment or share it if you feel so moved.

We ask you help to keep our work going strong

Please make a **tax-deductible** 2021 contribution today so that we may keep the positive momentum going. Two of the easiest ways to contribute and claim your tax-deduction are:

1. **Send a check.** Date and mail your check on or before December 31. Send it to our office at 4049 First Street Suite 243, Livermore, CA 94551. We will **note the check date** in our thank-you letter to you.
2. **Use a credit card.** **CLICK HERE** to make a secure on-line donation through your choice of PayPal or Network for Good.

In return, we promise to work hard every day in the coming year to stop nuclear weapons, pollution and war. And, we promise to **keep you informed and involved** every step of the way. Thank you so much for your valuable partnership.

In appreciation,

Marylia Kelley
