

Giving Tuesday is here!

To support environmental justice, cleanup of nuclear pollution, and the abolition of nuclear weapons, please consider a tax-deductible contribution to Tri-Valley CAREs.

Giving Tuesday is a rising trend - setting aside a special day annually for people to support the common good by contributing to worthy non-profits. By participating this year, you will be part of a global movement with activity happening in almost every country across the world.

I hope you will count Tri-Valley CAREs among the worthy non-profits you will cherish on November 30. I invite you to make a generous, tax-deductible donation to support our ongoing work on this special day.

CLICK HERE to donate online using either PayPal or Network for Good. You may choose to offer a one-time donation or become a monthly sustainer in any amount. Or, if you prefer, send your gift by check to: Tri-Valley CAREs, 4049 1st Street, Suite 243, Livermore, CA 94551.
